## Missions Project

This year we will partner again with the women's department to help raise funding for the 4 C Project. This project raises money for clean water filters and shoes for the children in Honduras. This mission's project is only during the Flawless Tour so please bring your one check for the offering with you to the event. Please encourage your girls to give as well as partnering with your pastor and church.

**All girls** giving \$100 or more will have their name put in to win a pair of tickets to a Missouri Attraction, the winner will be announced at the conclusion of all four events.

Please keep track of those in your group who have turned in the \$100 and still just bring **one check** with your total offering to the event.

The church with the highest total given will also receive a prize.

Dear Pastor & Church Leaders,

I pray you had a great Christmas season, celebrating the joy the newborn savior brings. As the District Girls Ministries coordinator I love to see how God can use girls to make a difference in their world. However, social media and influences of this world would try to contradict God's message of hope and purity. The Flawless tour is a way to encourage girls that God is calling us to be pure and flawless, but the only way for that to happen is through salvation in Jesus Christ.

The District Girls Ministries Department would like to help you in your ministry to girls in your church. Whether you use the girl's ministries curriculum in a weekly meeting format or just have girls in your church that need to know more about Jesus, we want to help. The Flawless Spring Tour will be happening in four regions across the district making ministering to girls in your church and community more accessible. You may choose the event that is most convenient for you. The retreats cost is \$15 per girl, this covers all the days' activities and lunch. Our desire is to make the cost small enough so that we could see many girls come and grow in their relationship with Christ. **Leaders who are indicated on registration sheet lunches will be free. Walk on leaders will still need to pay \$5 for lunch.**

The mission's project for the Flawless Tour is the 4C project to provide clean water filters and shoes for the children of Honduras. We are partnering with the Women's Ministries Department and would like to contribute \$4000.00 from the girl's ministries department to the project. We ask that the girls begin raising money and your church can contribute as well with writing one check to send to the Flawless Tour. There will be prizes awarded to the highest giving group for each tour. Please bring **one check** made payable to S.M.D.C:

**Check** : check for the total amount of the offering (this would include what the church is giving and what the girls have turned in)

We want to get our girls excited about missions giving at a young age so that when they become women they will have a passion for missions.

This cannot be a success without prayer your partnership and support!

In Christ,

DeShae Thrasher, District Girls Ministries Coordinator
