Dear Pastors & Church Leaders,

As we embark on 2018, I am full of excitement about how God is going to use you and the girls in your community to impact the world this year. It is so important that these girls have the foundation and power that comes from the Holy Spirit. Their devices are full of memes and quotes that so often become the standard for their guidance and how they live life. However, God's word gives us specific ways to live life to the full and one way is by producing the fruits of the Holy Spirit in our life.

The District Girls Ministries Department would like to help you in your ministry to girls in your church. Whether you use the girls ministries curriculum in a weekly meeting format or just have girls in your church that need to know more about Jesus, we want to help. The *Handpicked & Beautiful* Spring Tour will be happening in four regions across the district making ministering to girls in your church and community more accessible. You may choose the event that is most convenient for you. The retreat cost is \$15 per girl, this covers all the days activities and lunch. Our desire is to make the cost small enough so that we could see many girls come and grow in their relationship with Christ. **The Leaders who are indicated on the registration form lunches will be free. Walk on leaders will still need to pay \$5 for lunch.**

The mission's project for the *Handpicked & Beautiful Tour* is Project Rescue. This ministry exists to rescue individuals from sex trafficking, however when communicating this to our girls we will focus on the ministry they have in educating, feeding and sharing the love of Jesus with the children of the rescued women. We are partnering with the Women's Ministries Department and would like to contribute \$10,000 from the girls ministries department to the project. We ask that the girls begin raising money and your church can contribute as well with writing one check to send to the Handpicked & Beautiful Tour. There will be prizes awarded to the highest giving church for each tour. Please bring **one check** for the offering made payable to S.M.D.C:

Check: Onecheck for the total amount of the offering (this would include what the church is giving and what the girls have turned in)

If you could set a goal of a minimum offering of \$250, together we will influence our world.

We want to get girls excited about missions giving at a young age so as they become women they will have a passion for missions.

This cannot be a success without your prayer and support!

Together in Christ,

DeShae Thrasher, District Girls Ministries Coordinator
