Dear Pastors & Church Leaders,

The fun activities of Summer have started and many of you are in the midst of going or returning from the great youth and kids camps of Southern Missouri. Your students are recharged and ready to serve Jesus with all of their heart. Student growing in their relationship with Jesus is the greatest focus of Girls Ministries. Healthy Girls are those who have Jesus in the center of their lives and that relationship influences all areas of her life.

The District Girls Ministries team wants to partner with your effort to grow God dependent girls that will influence their world for Christ. The world we live in has a lot to say and wants to speak into the lives of your girls especially on the topic of what purity is. We know the world's views of purity are oftentimes opposite of what the Bible outlines for us.

The Pure Girl Conference is designed for girls 5-18 to help them explore what the Bible has to say about purity. The basis will be from the Girls Code in Philippians 4:8 that focuses on every area of our life rather than just physical purity. During this fun-filled day, girls will be divided by age group and study God's Word in an age appropriate manner on the topic of purity.

A special part of the conference will be the afternoon service and award ceremony. Girls that are part of the District Achievement program will receive special awards for their commitment to follow Christ. In addition, our speaker Casey Gibbons will deliver an on time word to the girls. You won't want to miss this special celebration service.
