

2011 FCF Daniel Boone Chapter Fall Trace Report

The FCFers of Daniel Boone Chapter had a great time last weekend in the rain! And without missing a beat (kinda) we competed in the competitions and events and weathered the storm and had a ton-a-fun.

Friday night and Saturday night council fire service message was brought to us by Rick "Simon Tanner" Dostal. The power of God was there as the Holy Spirit visited us during the altar time as boys and men came forward for prayer and made life changing commitments.

Our Scout Luke "Light Foot" Cooper gave devotion on Saturday morning and did a fine job.

Our business meeting stands out in my mind as we pledged \$1646.30 (over \$700 of it in hand) to the RR District Campground construction fund. We had Scout elections and through the selection process announced on Saturday night that our new Scout starting in January will be Dustin "Creek Walker" Hines.

27 campers stayed overnight Saturday in more rain and attended Sunday Morning Church services. Laurance "Little Buffalo" Brown gave a special devotion.

From memory some of the competition winners are; please forgive me FCFers if I missed anyone and now is the time to throw in your name if you too are a winner of a competition and I am only recollecting the Young Bucks cause that's just the kind of guy I am... ☺
