

DURABLE POWER OF ATTORNEY FOR HEALTH CARE

(Missouri Revised Statutes 404.800 to 404.865)

THIS IS AN IMPORTANT LEGAL DOCUMENT. BEFORE SIGNING THIS DOCUMENT YOU SHOULD KNOW THESE IMPORTANT FACTS:

Except to the extent you state otherwise, this document gives the person you name as your agent the authority to make any and all health care decisions for you when you are no longer capable of making them yourself. "Health care" means any treatment, service or procedure to maintain, diagnose or treat your physical or mental condition. Your agent, therefore, can have the power to make a broad range of health care decisions for you. Your agent may consent, refuse to consent, or withdraw consent to medical treatment and may make decisions about withdrawing or withholding life-sustaining treatment. Your agent cannot consent or direct any of the following: commitment to a state institution, sterilization, or termination of treatment if you are pregnant and if the withdrawal of that treatment is deemed likely to terminate the pregnancy unless the failure to withhold the treatment will be physically harmful to you or prolong severe pain which cannot be alleviated by medication.

You may state in this document any treatment you do not desire, except as stated above, or treatment you want to be sure you receive. Your agent's authority will begin when your doctor certifies that you lack the capacity to make health care decisions. If for moral or religious reasons you do not wish to be treated by a doctor or examined by a doctor for the certification that you lack capacity, you must say so in the document and name a person to be able to certify your lack of capacity. That person may not be your agent or alternate agent or any person ineligible to be your agent. You may attach additional pages if you need more space to complete your statement.

If you want to give your agent authority to withhold or withdraw the artificial providing of nutrition and fluids, your document must say so. Otherwise, your agent will not be able to direct that. Under no conditions will your agent be able to direct the withholding of food and drink for you to eat and drink normally.

Your agent will be obligated to follow your instructions when making decisions on your behalf. Unless you state otherwise, your agent will have the same authority to make decisions about your health care as you would have had if made consistent with state law.

It is important that you discuss this document with your physician or other health care providers before you sign it to make sure that you understand the nature and range of decisions which may be made on your behalf. If you do not have a physician, you should talk with someone else who is knowledgeable about these issues and can answer your questions. You do not need a lawyer's assistance to complete this document, but if there is anything in this document that you do not understand, you should ask a lawyer to explain it to you.

The person you appoint as agent should be someone you know and trust and must be at least 18 years old. If you appoint your health or residential care provider (e.g. your physician, or an employee of a home health agency, hospital, nursing home, or residential care home, other than a relative), that person will have to choose between acting as your agent or as your health or residential care provider; the law does not permit a person to do both at the same time.

You should inform the person you appoint that you want him or her to be your health care agent. You should discuss this document with your agent and your physician and give each a signed copy. You should indicate on the document itself the people and institutions who will have signed copies. Your agent will not be liable for health care decisions made in good faith on your behalf.

Even after you have signed this document, you have the right to make health care decisions for yourself as long as you are able to do so, and treatment cannot be given to you or stopped over your objection. You have the right to revoke the authority granted to your agent by informing him or her or your health care provider orally or in writing.

This document may not be changed or modified. If you want to make changes in the document you must make an entirely new one.

You should consider designating an alternate agent in the event that your agent is unwilling, unable, unavailable, or ineligible to act as your agent. Any alternate agent you designate will have the same authority to make health care decisions for you.

(You are not required to designate any alternate agents but you may do so. Any alternate agent you designate will be able to make the same health care decisions as the agent you designated in paragraph 1, above, in the event that

agent is unable or ineligible to act as your agent. If the agent you designated is your spouse, he or she becomes ineligible to act as your agent if your marriage is dissolved.)

If the person designated as my agent in paragraph 1 is not available or becomes ineligible to act as my agent to make a health care decision for me or loses the mental capacity to make health care decisions for me, or if I revoke that person's appointment or authority to act as my agent to make health care decisions for me, then I designate and appoint the following persons to serve as my agent to make health care decisions for me as authorized in this document, such persons to serve in the order listed below:
