16
17 **SUPERINTENDENT'S VISION CASTING**

18 Don Miller shared his vision for the District. Over the past ten years, district Leadership has been shared the
19 vision of Resource, Relationship and Renewal. The theme for 2022 is Accelerate, based from Amos 9:13.

20 The Spirit is moving across our Southern Missouri District and is awaking us to the greatest spiritual harvest
21 we have ever seen. He challenged the ministers to be more committed than ever before in their own
22 personal prayer time; to prepare their heart for what God is about to do. The difference between a river
23 and a flood are the banks of the river. Leadership must have wisdom of how to navigate the things of the
24 spirit to protect against excesses. This is the time to lead your church into more consecrated, concentrated,
25 orchestrated prayer. It is estimated 3.4 million people in Southern Missouri are not actively connected
26 with a body of faith. A question arises of how we can better leverage our resources to be ready for this
27 time of harvest?

28
29 We will continue diligently seeking God and determining incremental and monumental moves which will
30 help us leverage the moment for Christ. One resource has been the District Interim Team; a group of
31 veteran ministers who assist district leadership in churches that are in pastoral transition. David Satterfield
32 has been asked to assist in the day-to-day operations of this ministry. The Joseph's fund will be able to
33 assist this interim ministry to another level. To reflect the forward progress the district is making, our
34 Presbytery proposes a name change for the district. A name change will reflect the new culture and
35 approach God is doing in the district. The name Southern Missouri Ministry Network of the Assemblies of
36 God will be considered in a resolution. In addition, an Under 40 Presbyter and Female Presbyter will be
37 considered, as well as redrawing the sectional boundaries. Our General Superintendent, Doug Clay has
38 shared his vision "to see a healthy church in every community, measured by spiritual and numerical
39 growth". Miller shared that Southern Missouri purposes to do everything in their power to accomplish their
40 part of this vision. There remains over 100 towns and cities that do not have an Assemblies of God church.
41 Top ten potential church plant locations include Eureka, Baldwin, New Haven, Bonne Terre, St. Genevieve,
42 Lincoln, Affton, Kirkwood, Niangua and Haiti. Since coming into office, the district has opened between 65
43 to 70 churches. But at the close of 2021, we closed more churches than we opened. He believes that God is
44 about to accelerate the harvest and his prayer is that God will give wisdom and direction.

45 **Motion to accept the Superintendent's Vision Casting Report. MSC**

46
47 Superintendent Don Miller resumed chair of the meeting.
