July 8, 2022,

Dear Pastors & Church Leaders,

Summer is in full swing and I pray you are finding time to build relationships with your students during these summer months. The anticipation of a new school year can bring students to a place of accepting new challenges and desiring growth in their spiritual relationships as well. Our prayer is that the girls in your church and community would desire to live all in for Jesus that their life can be a song of praise.

The Network Girls Ministries team wants to partner with your effort in ministering to the girls in your church and community. It is time that Jesus followers live authentically praising Jesus with their lives each day at school, work and sports. Jesus has set us apart to bring him glory!

Pure Girl Celebration is designed for girls 5-18 to help them explore what the Bible has to say about purity. The basis will be from the Girls Code in Philippians 4:8 that focuses on every area of our life rather than just physical purity. We will break the day into fun sessions that will allow us to reveal God's truth as it applies to purity in our bodies, thoughts and actions as we seek to be a Jesus Praising Kind of Girl!

We look forward to seeing you and your girls for this wonderful time of growing in God's word and building relationships. Missions emphasis is a special time during each of our events and we encourage your girls and church to bring an offering for Rural America Ministries; promotional information is available at ngm.ag.org. This offering will count towards your churches BGMC giving. The highest giving church will be recognized and each girl giving \$100 or more. Thank you for presenting this project to your church and giving them the opportunity to give.

We are praying for the girls in your church and community and look forward to this time of coming together to grow in our relationship with Jesus!

Together we will influence the World,

DeShae Thrasher
