

Recreation Team

Reports to: Recreation Director

General Description:

The Recreation Team is responsible for all the “FUN” on the campground. There are several areas of responsibility that the Rec Team will cover. They include:

- Gym Competition
- Open Gym times (both during daytime rotations and evening Free Time)
- The SportsPlex Area (including the Kangaroo Jumper & Rock Wall)
- The Medical Station “Fun Zone”
- Any other games or activities that may be added to camp during any given year.

Daily assignments will be selected at the start of each day during the morning Rec Team meeting. This will allow for leadership and teams to prioritize Rec critical needs for each day and to shift teams and modify plans according to need, volunteer capacity/capability, weather, and schedule changes. The team will be spread out across the daily responsibilities each day to meet the needs of the camp. A Rec Team member can expect to serve 4-5 hours a day.

Specific Responsibilities:

Recreation Team volunteers should be ready to serve in a variety of capacities both inside and outside. While there are many roles that are more “supervisory” (watching kids on the Kangaroo Jumper or playing carpetball) there are also active participation areas such as leading dodgeball games or harnessing kids at the Rock Wall. Rec volunteers should be versatile, flexible, and ready to be ambassadors of fun!
