Note: MSOM provides the courses required to gain credentials with the Assemblies of God, but other steps beyond completing the courses must be taken to qualify for AG credentials. These steps include background checks, references, credit reports, and so on. If you or your spouse are divorced and a previous spouse is living you may not qualify for credentials. Please speak with the district credentialing officer Carleen Clair (cclair@somoag.org) about your divorce before registering with MSOM if your goal is to qualify for credentials.
